

Livingston Parish Public Schools – Academic Resources

Parents and Guardians,

Each school in our district has created blended learning opportunities and resources for students to remain engaged during this time away from campus. Many schools offer live or recorded instruction through Zoom, Loom, FlipGrid, or YouTube. Online lessons and activities are sometimes provided through Google Classroom or email. You are encouraged to follow guidance from the administration and teachers from your child’s school when planning the activities and lessons to be completed each day. This document includes many resources available to our students. Feel free to use these resources to compliment or enrich, not to replace, what is being assigned by the school.

Thank you for supporting your students in their time away from us.

K – 12 English	
Curriculum/ Grade Band	Guidance Information
Curriculum Associates Ready- ELA Review Packets (K-8)	Some schools distributed paper copies of this resource. If not, it is available to print. http://www.lpsb.org/digital_help/k-5th_grade_resources http://www.lpsb.org/digital_help/6-8_grade_resources
MobyMax (K-8)	Personalized lessons in Math, ELA, Science, and Social Studies. The program automatically adapts based on student progress and responses. https://www.mobymax.com/ Parent Guide https://data.mobymax.com/mc/share/Using_MobyMax_From_Home.pdf

<h2 style="text-align: center;">Early Childhood</h2>	
<p>Pre-K children learn best through exploring, singing, moving, and participating in hands-on activities. It is suggested that you and your child choose a few activities each day to complete in 20-minute chunks. Don't forget to encourage them and give them praise. Enjoy your time learning through play!</p>	
Resource	Guidance Information
Teaching Strategies: <i>The Creative Curriculum</i>	<p>Teaching Strategies developed the Healthy at Home toolkit. It offers a free selection of resources, that are also available in Spanish, from The Creative Curriculum that families can use.</p>
Scholastic Learn at Home	<p>Scholastic Learn at Home for Pre-K/Kindergarten offers free daily activities to keep kids reading, thinking and growing that are updated weekly and are available in Spanish.</p>
PBS	<p>Louisiana Public Broadcasting is offering a variety of resources for parents and children. The following resources are supported by PBS KIDS and are for children ages 2-8:</p> <ul style="list-style-type: none"> Bright by Text – Text LPB to 274448 Ready to Learn Family Resources What to Watch PBS KIDS Apps PBS KIDS Games PBS Parents PBS KIDS Learn
Audible	<p>Audible, an Amazon Company, allows you to stream a collection of children's stories on a desktop, laptop, phone or tablet FREE in six different languages.</p>
Family Activities	<p>These family activities provide learning games that complement the <i>Creative Curriculum</i> and give parents step-by-step instructions on facilitating activities that supports the Louisiana Birth to Five Standards.</p>
Indoor Activities	<p>Here are some fun indoor activities you can do with your children that are educational and filled with arts, crafts and games.</p>
YouTube	<p>Search YouTube for these artists to hear great songs for your Pre-K child: Jack Hartmann, Dr. Jean, The Learning Station, & Super Simple Songs.</p>

General Digital Resources

Google Classroom (teacher initiated tool)	Teachers utilize Google classroom as the hub for their assignments, link to instructional videos, link to Zoom meetings, and upload forms to be completed for homework and practice. www.classroom.google.com
KHAN Academy	Khan Academy offers practice exercise, instructional videos, and a personalized learning dashboard that empowers learners to study at their own pace inside and outside of the classroom. www.khanacademy.org
Zoom (teacher initiated tool)	Utilized to conduct classroom instruction and direct class discussions. . www.zoom.us
Remind 101 (teacher initiated tool)	Teachers utilize for teacher/student communication. www.Remind.com
AP Central	Links to a variety of teaching materials for all AP subjects. https://apcentral.collegeboard.org/about-ap/news-changes/coronavirus-update
Modern States	Teachers utilize lessons through Modern States to help prepare students for CLEP testing in advanced subject areas. www.Modernstates.org

Additional Information for Middle School Parents and Students

Webinar for Parents and Family members to be held Monday April 6th hosted by Jack Berckemeyer 3:30 – 4:30 PM ET -

<https://www.amle.org/ServicesEvents/Webinars/040620/tabid/1196/Default.aspx?cldee=Z HdheW5lLmR5a2VzQGxwc2lub3Jn&recipientid=contact-35056d60ff93e711baca0050569142af-c81810011d394b8b8daad4f9f72b26dc&esid=dee6e241-9072-ea11-8107-000d3a0de1a1>

- **Parent & Family Tips for Helping Middle Schoolers at Home**

Jack Berckemeyer, author of *Managing the Madness – A Practical Guide to Middle Grades Classrooms*, provides pragmatic tips, mixed with his trademark humor, to help parents enjoy this time at home with their young adolescents. Invite your parents and families to this can't-miss event!

Monday, April 6, 2020, 3:30-4:30 pm ET

Serving Students with Disabilities

Additional resources:

- **Family Toolbox: Ways to Support Students with Disabilities During School Closures**
https://www.louisianabelieves.com/docs/default-source/covid-19-resources/family-toolbox-ways-to-support-students-with-disabilities-during-school-closures.pdf?sfvrsn=a61e9b1f_4
- **Partnerships for Success Guide** includes teletherapy options for direct services for students with disabilities.
- Louisiana's Accessible Education Materials (AEM) and Assistive Technology Initiative (LATI) **Center** provides school systems with accessible education materials, consultation, and other supports. School systems can submit a service **request** at any time.

Moby Max at www.mobymax.com emphasizes four basic content areas – parents have access to this throughout the year if teachers send parents the parish link along with student id and passwords.

Unique Learning (monthly lessons emphasize either Science or Social Studies) – parents will have special access to this during the March 16th to April 13th, 2020, period, but teachers will need to assist with home access.

<https://www.n2y.com/unique-learning-system/>

ABC Mouse has a free link for teachers to sign up. <https://www.abcmouse.com/teachers>

Mystery Science has a few free grade K-5 mini lessons. <https://mysteryscience.com/school-closure-planning>

Starfall.com is a free resource for phonics-based letters. <https://www.starfall.com/h/index-grades123.php>

Epic Books is free for parents at <https://www.getepic.com>.

www.education.com for free printable materials

<https://tools.atozteacherstuff.com/printable-handwriting-practice-worksheet-maker/> free handwriting practice and word puzzles. Great for fine motor activities

<https://www.nessy.com/us/virtualschool> is free for 30 days.

<https://www.scholastic.com/parents/kids-activities-and-printables.html>

<https://khanacademy.zendesk.com/hc/en-us/articles/360040167432-How-can-Khan-Academy-be-used-for-remote-learning-during-school-closures->

<https://www.coolmath.com/> which has several related links (i.e., <https://www.coolmathgames4kids.com/>).

<https://circletimefun.com/> has videos for student engagement as would be offered in a classroom circle time.

<https://www.storylineonline.net/> is a free site where well-known people read stories to students.

<http://www.hubbardscupboard.org/> offers many free resources.

<https://www.ck12.org/student/> has free science, math, and social studies resources.

<https://www.specialneedsforspecialkids.net/> has free resources.

<https://www.edhelper.com/> has free resources.

<https://www.turtlediary.com/> is free for parents.

<https://www2.touchmath.com/resources-for-parents-caregivers/> has free resources.

<https://circletimefun.com/> has videos for student engagement as would be offered in a classroom circle time.

www.splashlearn.com with free sign up and selection of grade level and activities for the students.

<https://www.abcya.com/> is a subscription-access program.

<https://www.superteacherworksheets.com/> is a subscription-access program.

<https://www.brainpop.com/>

www.kahoot.com – LOTS of content and games online – they are also opening distance learning tools for free at this time – kids can self-pace

<https://www.ixl.com> is online for all subjects, all grades... specific skills can be targeted for personalized learning.

www.thatquiz.org is free online quizzes for math, science, and geography.

Diverse Learners

<https://consciousdiscipline.com/resources/why-cant-i-go-to-school-social-story/>

This is a great social story called "Why Can't I Go to School?" It can be used for younger students or students with autism. It can be printed out and stapled together or viewed on a device.

Deaf and Hard of Hearing

<https://successforkidswithhearingloss.com/>

This is a comprehensive resource for families and teachers to support learning and social development for children of all ages with hearing loss. There are sponsored links to for-sale products, but also free information and resources. Click on RESOURCES > FOR PARENTS. Information is provided for different age groups, focusing on infant/toddler vs. school-age. It will help guide parents through activities to promote reading skills, self-advocacy development, and social problem solving, among other topics. There is lots of information about hearing aids and cochlear implants, legal issues and IEPs also.

Fun language activities adaptable for all ages: <https://cid.edu/2016/11/28/five-language-activities-children-hearing-loss-age-language-level/>

Help with maintaining students' hearing aids: <https://www.asha.org/uploadedFiles/AIS-Hearing-Aids-Troubleshooting.pdf>

<https://deafchildren.org/2020/03/free-asl-games/>

ASCD provides free stories and games for students who are deaf.

<https://clad.education.gsu.edu/center-activities/asl-stories/>

Center for Literacy and Deafness (CLAD) has created a variety of videos to help young children gain a foundation in American Sign Language (ASL). The short stories revolve around the daily activities of Miss Giggle and her students, while the songs teach vocabulary in a fun context. These videos are part of an early literacy intervention called Foundations for Literacy that builds foundational skills for all DHH children. The videos can be used with all children.

<https://aslnook.com/>

Provides many books at varying levels presented in ASL

<https://www.texasdeafed.org/aslstorytelling>

The Texas School for the Deaf provides online ASL storytelling and ASL Library Story Time.

<http://www.aslpro.com/cgi-bin/aslpro/aslpro.cgi> This is a sign language dictionary. Click on a word and a person will sign the word for you.

www.handspeak.com

Fun sign language videos (ABCs, colors, numbers, animals, types of foods, weather, etc.) from Youtube. Can be used to get the whole family involved with signing.

<https://www.gallaudet.edu/asl-connect/asl-for-free/asl-by-topic>

This is an ASL online dictionary from Gallaudet University. I love that it is broken up my topics like baseball signs, outdoor activities, transportation, colors, fruits, emotions, etc.
