

TO CONNECT MOBILE DEVICES (Smart Phones and/or Tablets)

Netspective Webfilter Certificate Instructions

Step 1: Go to the Livingston Parish School Board Website, click on the “Staff” tab bringing down the drop down list, and then click on “Technology” located at the bottom. It should bring up this:

Step 2: Click on the link and it will bring you here:

Step 3: Before logging on, click on the “Certificate and Download Page” hyperlink. It will bring you to the Certificate Download and Installation page. Follow the instructions for your device, then log in using your computer log-in.

You will only have to do this one time for each device, and must log in using your computer log-in once a day (the netspective log-in will pop up for you to do this).
